Dear KM Community,

This School Board election is crucial. We can elect board members interested in serving all of our children and all of our community. We can ensure that our community has school board members committed to making sound decisions using data and evidence rather than political ideology. Let's send a unified message that our KM schools are no place for politics.

Jay Crouse (incumbent) and Dr. JJ Andrews will focus on what matters for our schools: great learning opportunities, talented teachers, sound finances, and a welcoming environment for all students. They will help maintain and enhance our award-winning district programs.

In neighboring school districts, partisan political takeovers have led to turbulence and distraction from the important mission of our public schools. Let's not let this happen at KM. Our kids are worth it. Their education is worth it. We're asking YOU to support ALL students and educators with a vote for incumbent Jay Crouse and Dr. JJ Andrews.

Sincerely,
The Kettle Moraine Alliance
